University of Toronto at Mississauga, 2004-2006

## **PROFESSIONAL EXPERIENCE**

---

**Research Assistant**, B.Ed Internship project

**North Albion Collegiate Institute**, Toronto District School Board, May 2010

- Collaborated with other Mathematics teachers to design and produce summer workbooks that facilitate the Grade 8 to Grade 9 transition
- Designed and conducted school-wide surveys; compiled and analyzed the resulting data using statistical software such as EXCEL and FATHOM

**Teacher Candidate**, Grade 9 and Grade 12 Mathematics

**North Albion Collegiate Institute**, Toronto District School Board, March 2010

- Planned and taught lessons, using a variety of technology such as graphing calculators and Geometer's Sketchpad
- Designed, administered, and marked tests and quizzes
- Provided support to students who required additional assistance and challenged other students with more advanced content

**Teacher Candidate**, Grade 10 History

**Kipling Collegiate Institute**, Toronto District School Board, November 2009

- Taught Canadian History to Grade 10 students using an array of instructional techniques
- Assessed and evaluated student performance on a regular basis
- Coordinated interactive activities to help encourage group work

**Private Mathematics Tutor**, High school and First year Undergraduate courses, 2008-2009

**Graduate Teaching Assistant**, First year Undergraduate courses, 2007-2008

**University of Western Ontario**

- Assisted in teaching first year Calculus and Linear Algebra courses by organizing weekly help sessions, supervising examinations (proctoring), and marking tests.

## **ACTIVITIES AND INTERESTS**

---

- Has a strong appreciation for mathematical/logical reasoning
- Is interested in current events happening worldwide
- Keeping accurate record of personal expenses
