

## Corrigenda and errata for *William of Ockham's Early Theory of Property Rights in Context*

Version: **1.0** (2014/05/07)

My book, sadly, is not perfect; but hopefully no serious errors that obscure what I was trying to say. However, I shall strive to include here a list of corrigenda for future reference. As always, your own contributions are welcome. For reference, all entries take the following form:

⟨page⟩, ⟨line number / footnote⟩: ⟨original text⟩ → ⟨corrected text⟩

66, l. 6: This was point was → This point was

66, l. 11: discribed → described

67, l. 3: corresponding to one these → corresponding to one of these

80, n. 69: *about Property* put → *about Property*, put

258, n. 16: hiusmodi → huiusmodi
