2. DEGREES

Ph.D. 2009   University of Massachusetts, Amherst, Linguistics
Thesis title: *Natural Selection and the Syntax of Clausal Complementation*
Thesis Advisors: Professors Kyle Johnson and Angelika Kratzer

MA   2002   University of Toronto

BA   2001   University of Toronto
Linguistics and English Literature

3. EMPLOYMENT

2023–	Chair, Tri-Campus Graduate Dept. of Linguistics, University of Toronto
2022–	Associate Professor, Dept. of Linguistics, University of Toronto
2018–2022	Assistant Professor, Dept. of Linguistics, University of Toronto
2012–2018	Assistant Professor, Simon Fraser University (successful tenure decision, July 2018)
2011–2012	Visiting Assistant Professor, University of California, Los Angeles
2009–2011	SSHRC Postdoctoral Fellow, McGill University
2008–2009	Lecturer, University of Wisconsin, Madison

Visiting Positions

March–April 2023   Visiting Professor, Université Côte d'Azur (funded)

May 2017   Visiting Professor, Hebrew University of Jerusalem, Dept. of Language, Logic and Cognition and Halbert Center for Canadian Studies (funded)

May–June 2014   Visiting Professor, University of Vienna (funded)

4. **PROFESSIONAL AFFILIATION AND ACTIVITIES**

National Committee chair

> May 2017–2021 Chair, Programme Committee, and member of the Executive Committee, Association canadienne de linguistique/Canadian Linguistics Association

Editorial positions

> 2017–present Series Editor, *Syntax and Semantics*, Brill
>   (I have overseen a total of 3 volumes published since 2020, and 1 underway)

Editorial boards

> Mar. 2012– Semantics and Pragmatics, http://semprag.org/
> Jan. 2019– Studies in Theoretical Psycholinguistics (Springer)

Professional affiliations

> Member, Association canadienne de linguistique/Canadian Linguistic Association
> Member, Linguistic Society of America

Other

> August 2018– Adjunct Professor, Simon Fraser University
> July 2019– Associate Fellow, Trinity College

B. **ACADEMIC HISTORY**

6. A. **RESEARCH ENDEAVORS**
     My research examines the relationship between form (syntax) and meaning (semantics) in natural language. I draw from a range of languages and methodologies, including experimental techniques, to deepen our understanding of the diversity and interpretation of linguistic structures and what these reveal about human cognition more generally.

B. **RESEARCH AWARDS**

British Academy Visiting Fellowship May–August 2023
Total: £23,000
Project Title: The grammar of events and experiences
Involvement: PI

IDEX Advanced Research Program March–April 2023
Université de Côte D'Azur
Total: 4,800 Euro
Involvement: PI

SSHRC Insight Grant 2022–2026
Total: $276,561
Project Title: Diversity in embedding strategies: what under-represented languages can tell us
Involvement: Co-Applicant (Co-PI); Applicant: Junko Shimoyama (McGill)

SSHRC Insight Development Grant 2021–2024 (on extension)
Total: $32,055
Project Title: Persian questions: uncovering hidden syntactic structure with experimental methods
Involvement: Applicant (PI); Arsalan Kahnemuyipour (Co-applicant)

SSHRC Insight Grant 2018–2022 (extended to 2024)
Total: $131,603
Project Title: Processing Pronouns and Quantifiers
Involvement: Applicant (PI)

SSHRC Insight Grant 2015–2019
Total: $268,356
Project Title: Non-Canonical Relative Clauses: Universals and Variation in Compositionality
Involvement: Co-applicant (Co-PI); Applicant: Junko Shimoyama (McGill)

SSHRC Insight Development Grant 2014–2016
Total: $68,070
Project Title: Experiment and Theory at the Syntax-Semantics Interface
Involvement: Applicant (PI). Ranking among emerging scholars: 1/43

SSHRC Institutional Research Grant 2013–2015
Total: $6,988
Project Title: On-line Processing of pronouns
Involvement: Principal Investigator

Endowed Research Fellowship, Simon Fraser University 2012–2014
Total: $5,000
Project Title: Relative Clauses
Involvement: Principal Investigator

President's Research Start-up Grant, Simon Fraser University 2012–2015
Internal Research Grant; **Total:** $17,500
Project Title: Comprehension of pronouns
Involvement: Principal Investigator

11. **Invited Lectures**

A DP Analysis of Clausal Prolepsis: Evidence from Extraction. Invited departmental colloquium, University of Calgary. February 28, 2025.

Propositional anaphora and attitudinal objects. Invited talk to the Propositions Network. University of Glasgow, UK. January 10, 2025.

Determiner shells and CPs. Invited departmental colloquium, University of Massachusetts, Amherst. November 1, 2024.

What is it possible to extract? Clausal prolepsis and the DP shell hypothesis. Invited talk at the Fourth international conference on adverbial clauses: Adverbial clauses in argument position. Freie Universität Berlin. April 5, 2024.

Clausal and nominal propositional anaphora. Presentation to C(omplement) C(lauses) C(ote) d'Azur (Research group), Université Côte d'Azur, Nice, March 6, 2023.

Internally-headed relatives in Japanese, Navajo, and beyond. Academic seminar delivered to Society of Linguistics Undergraduate Students (SLUGS), January 23, 2023.

Anaphoric propositional expressions: nominalized clauses and proforms. Presentation to Syntax-Semantics group, McGill University. October 5, 2022.

Syntax for the win? Active wh-filler gap vs. cataphoric dependency. Invited talk at UMass syntax workshop, University of Massachusetts, Amherst. February 18, 2022.

Remarks on propositional nominalization. Guest Lecture in Junko Shimoyama's gradate seminar, McGill University. January 31, 2022.

Competition in clausal complementation. Guest Lecture in Amy Rose Deal's graduate syntax-semantics seminar, UC Berkeley. October 18, 2021.

Locating the nominal properties of CPs: Lessons from pseudo-relatives (and sentential subjects). Invited talk at workshop "The nominal approach to clausal complementation". May 27, 2021. University of Patras (online). (Keynote)

Things we embed. Invited keynote talk at Brussels Conference on Generative Linguistics (BCGL 13). December 16, 2020. (Keynote)

Non-locative *where*-relatives. Workshop on Non-interrogative Subordinate *wh*-clauses. Universität zu Köln. February 8, 2020. (reporting joint work with Marisa Brook, UofT)

(Non)-complements and *in situ* saturation: consequences for cross-clausal dependencies. GLOW in Asia XII/21st Seoul International Conference on Generative Grammar (SICOGG 21) Workshop on (Non-)complementation. Dongguk University, Seoul, Korea.

August 6, 2019. (Keynote)

Exceptional agreement and clausal determiners
    Colloquium. University of Ottawa, October 25, 2019.
    Colloquium. Cornell, November 15, 2018.
    Colloquium. Rutgers, September 21, 2018.

Internally Headed Relatives: from Japanese to the Dene Languages. North West Linguistics Conference (NWLC), Vancouver. April 29, 2018. (Keynote)

Processing bound variable singular *they*
    Colloquium. Western University, March 2, 2020.
    Invited talk. Pronouns Workshop. University of Calgary, November 15–16, 2019.
       (Presented by Chung-hye Han)
    Colloquium. York University, October 4, 2019.
    Colloquium. McMaster University, March 1, 2019.

D+CP: syntactic category and semantic selection. Two-day lecture series. University of Paris Diderot. October 26–27, 2018.

Retrieving antecedents with the grammar: the role of structure and ϕ-features.
