

**I WANT MY
PUDDING!**

written and illustrated
by: cathy chen

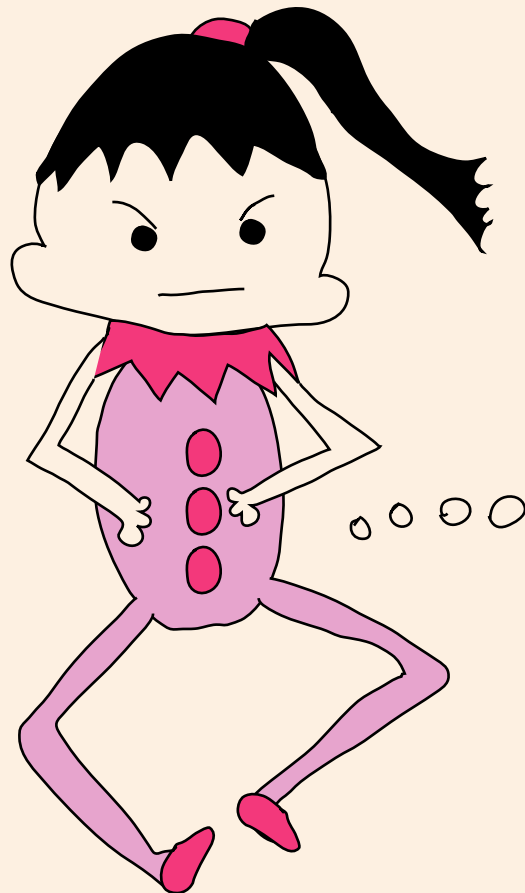

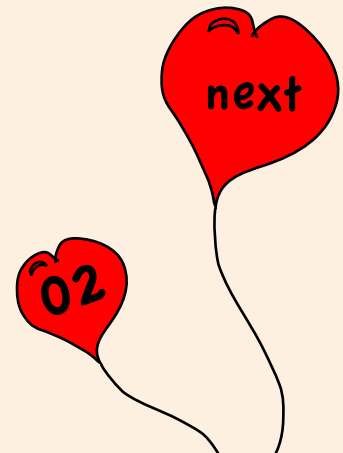

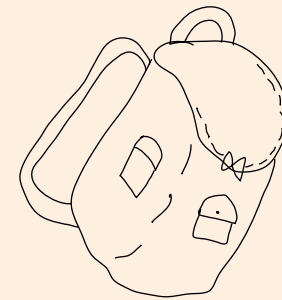

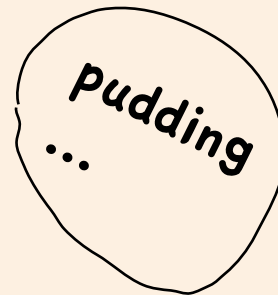

Xinyu wants a big
pudding for the
Children's Day Festival!

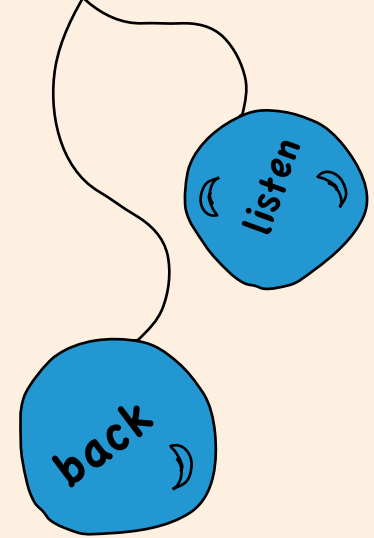

Mommy told her that she has a second Mommy, who lives very far away and makes the world's best pudding.

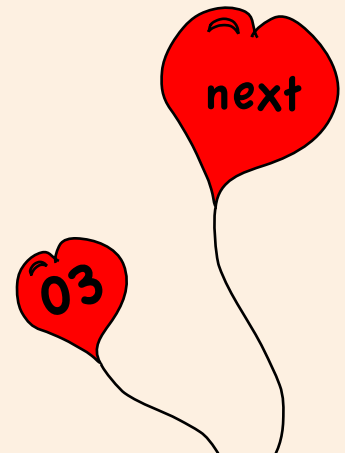

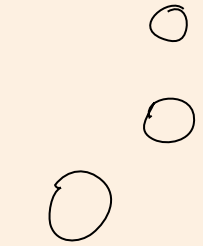

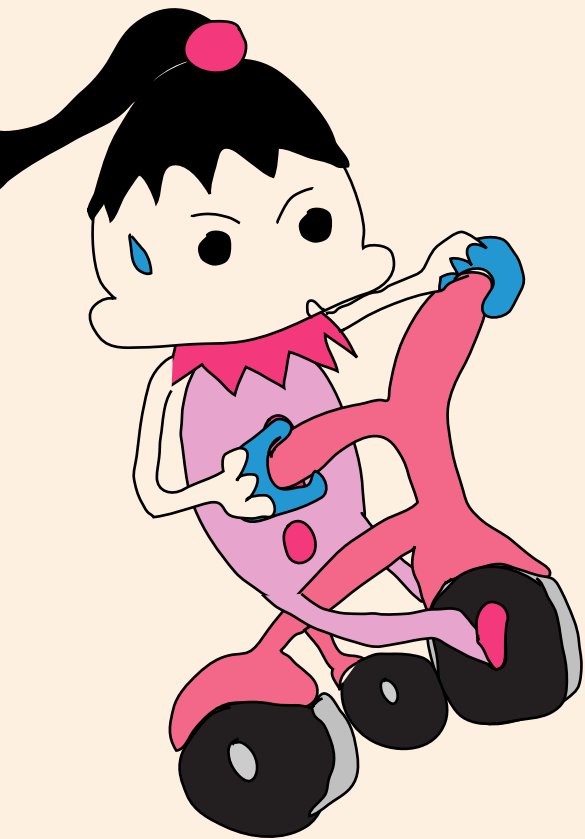

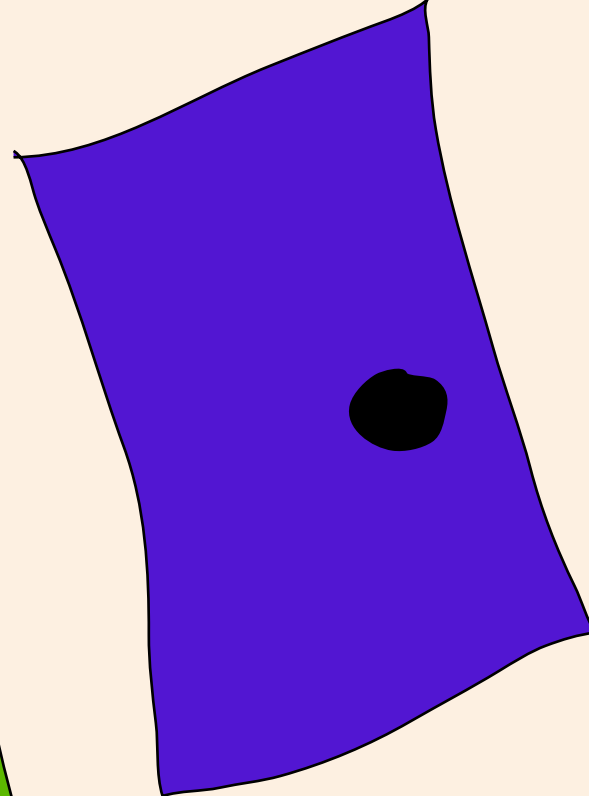

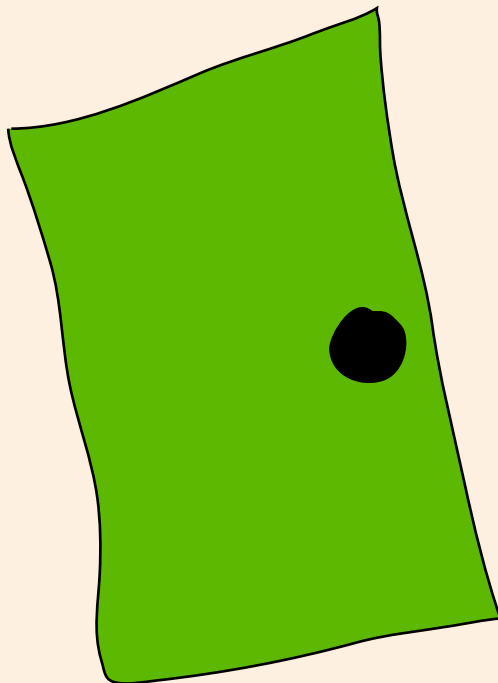

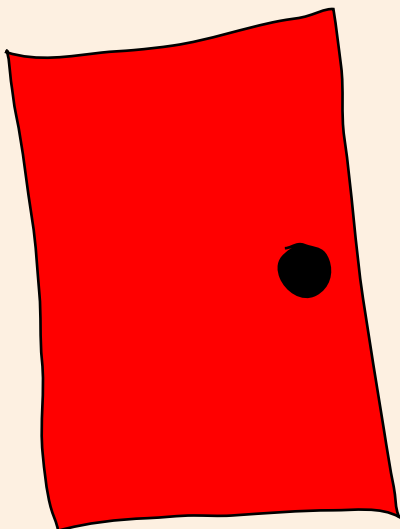

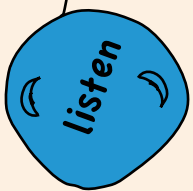

So she decides to search for the pudding to fill her tummy!

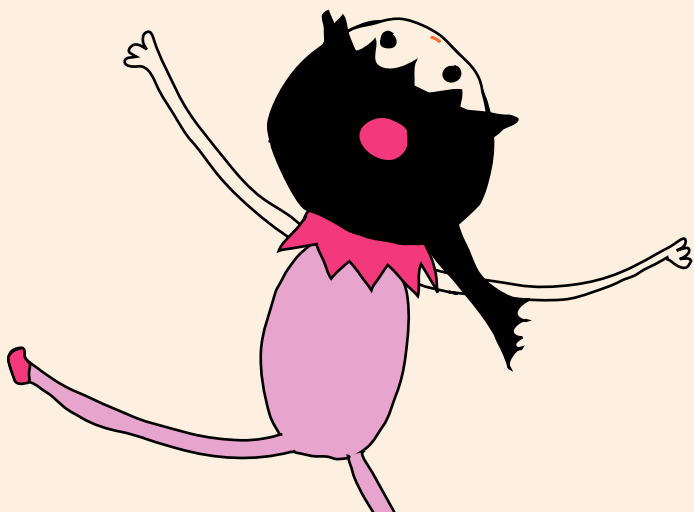

Xinyu bikes on her pink tricycle to
a mysterious house.

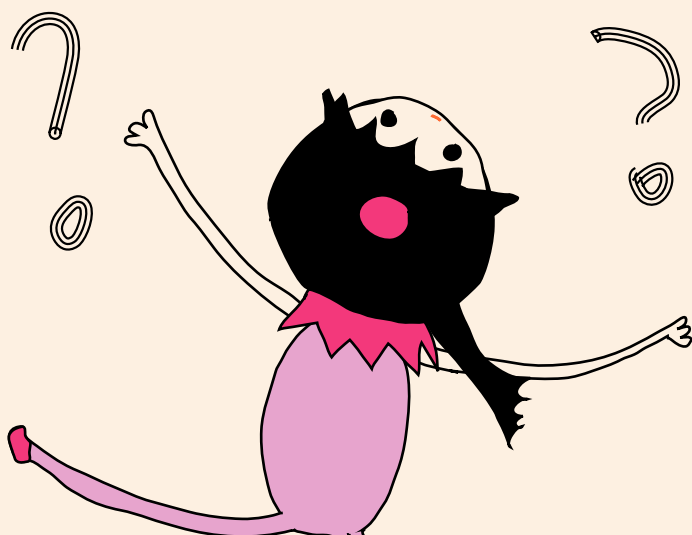

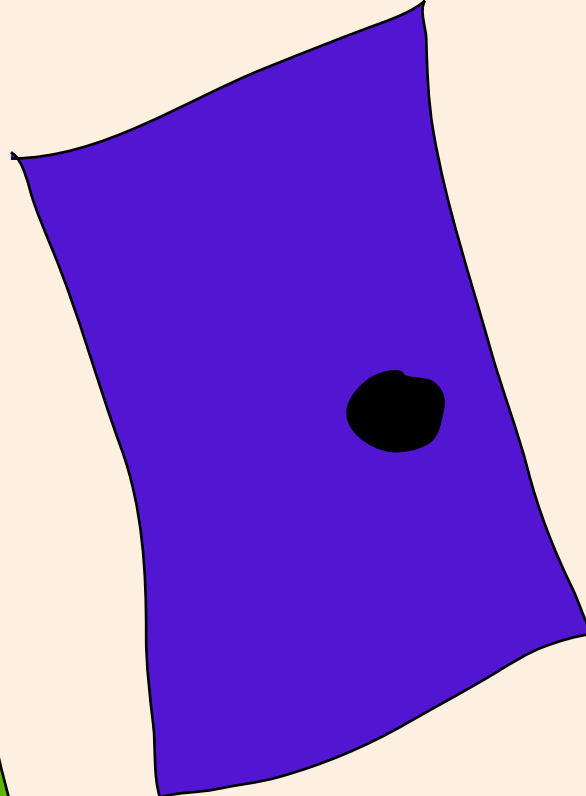

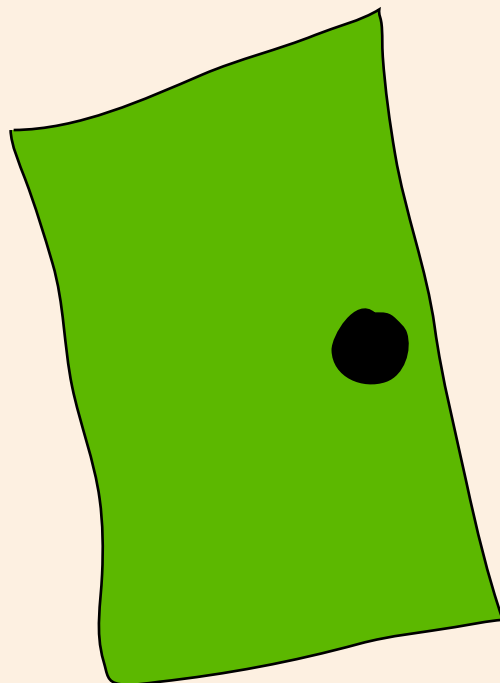

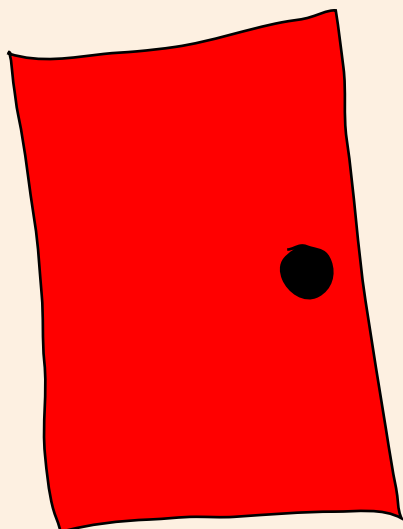

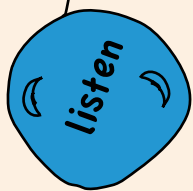

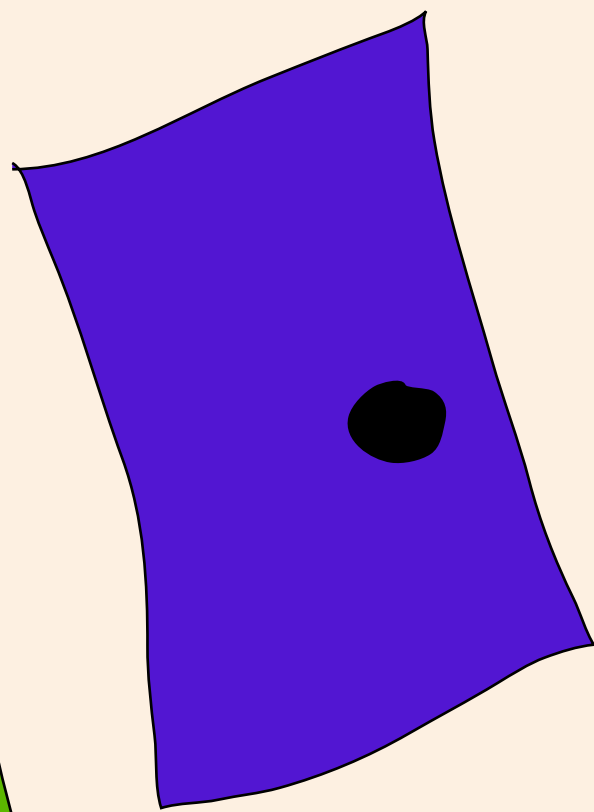

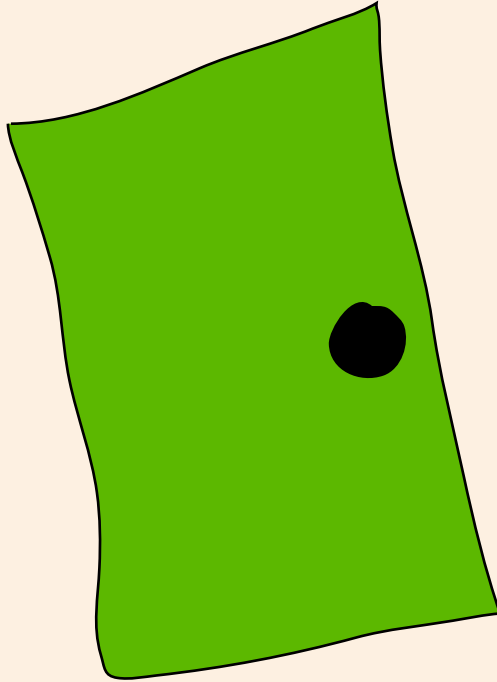

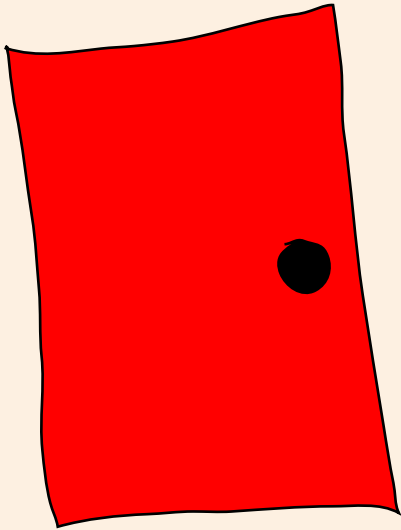

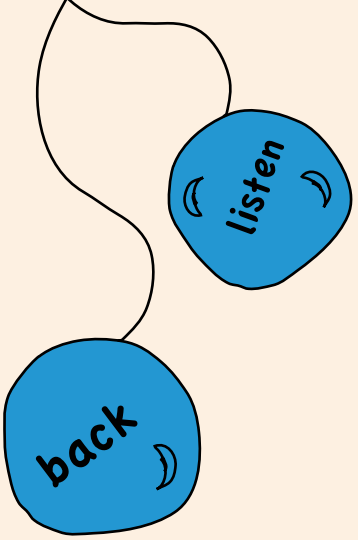

Xinyu enters the house, and sees
three doors;
“Which door should I go in first?”
Xinyu wonders.

HELP Xinyu decide!

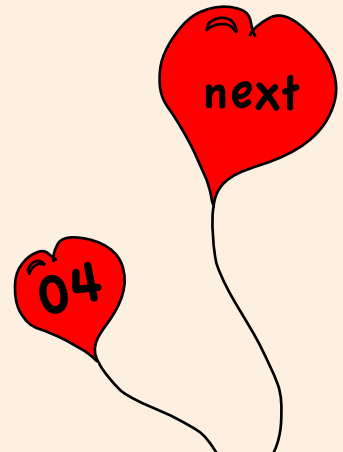

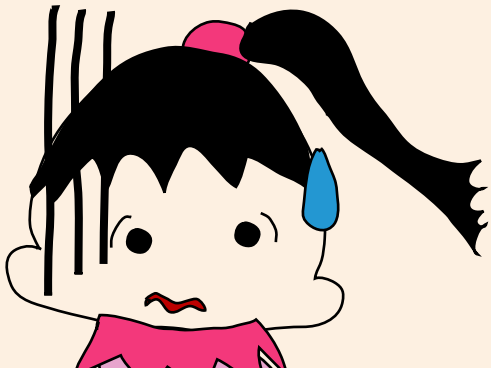

**NOT this one,
try another one!**

What is going on?

LIAR!!

HAPPY CHILDREN'S DAY!

Xinyu sees her teacher dancing and her friends singing along, so she hums with them.

Pudding?

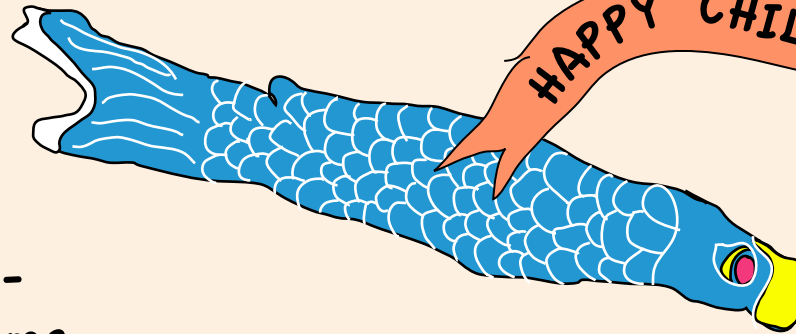

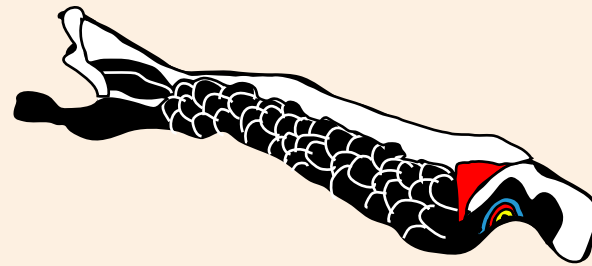

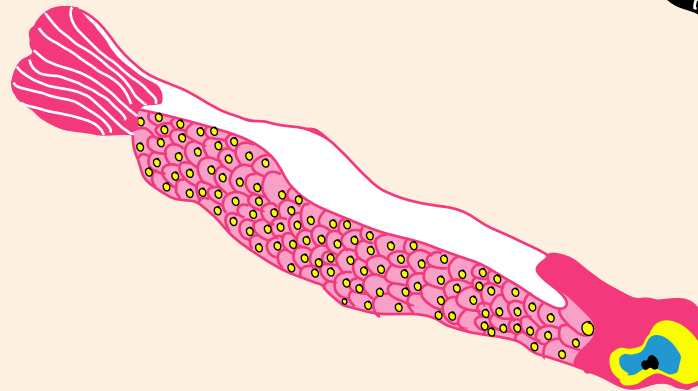

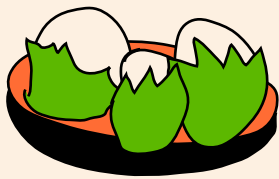

NO

Yes

BUT WHERE IS THE PUDDING?

HELP Xinyu determine if the pudding is here.

Xinyu sees three colourful fish hanging and some odd-looking rice cakes with green leaves.

Pudding?

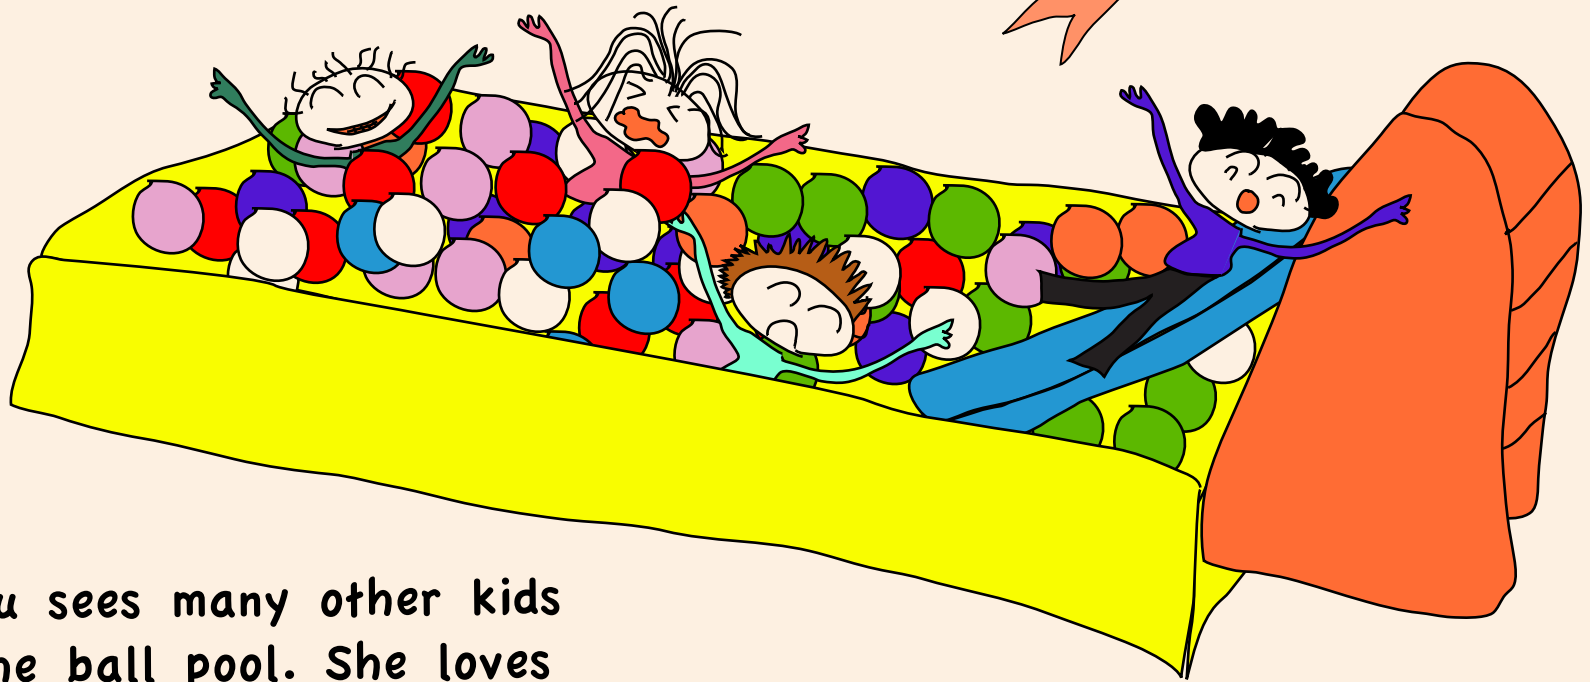

NO

Yes

BUT WHERE IS THE PUDDING?

HELP Xinyu determine if the pudding is here.

HAPPY CHILDREN'S DAY!

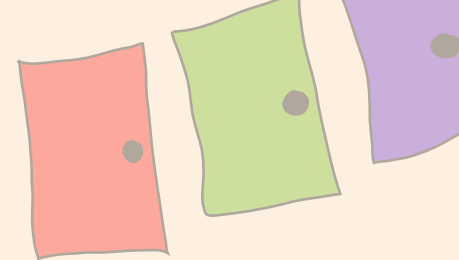

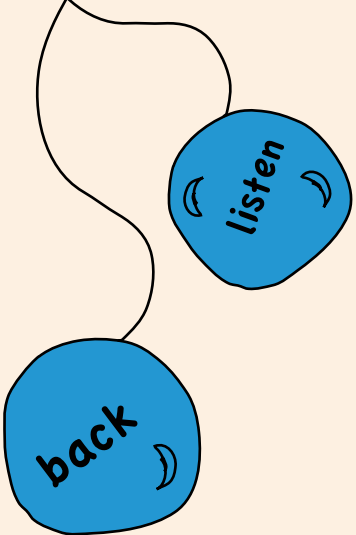

Xinyu sees many other kids in the ball pool. She loves this place!

BUT WHERE IS THE PUDDING?
HELP Xinyu determine if the pudding is here.

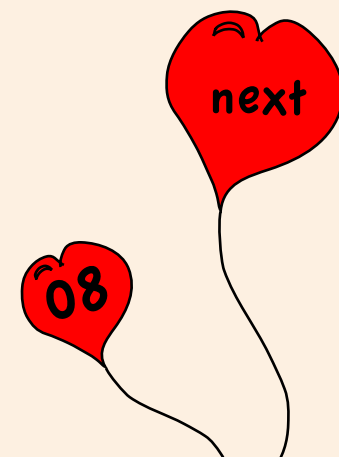

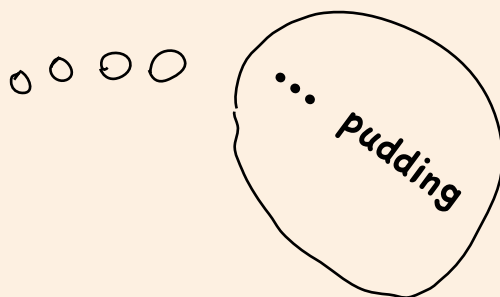

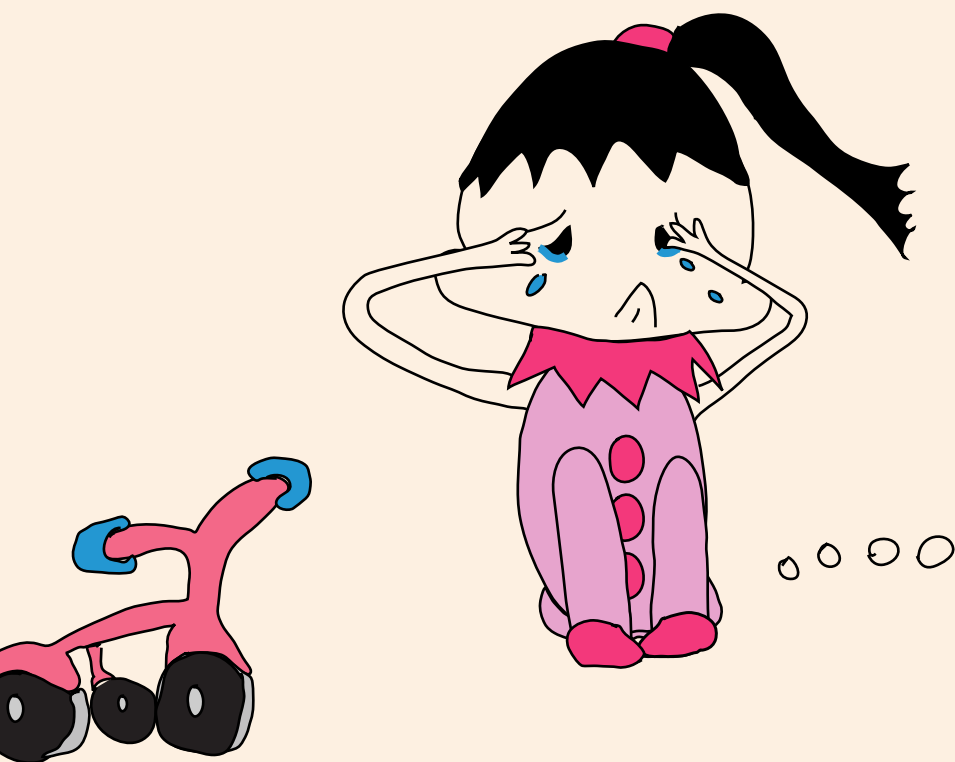

Pudding?

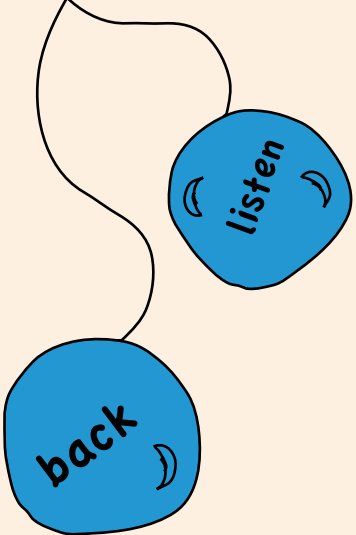

NO

Yes

Xinyu is really sad. Why does it take so much time to have a pudding? She is hungry. She decides to leave the house.

Just as she decides to leave,
Xinyu sees some pink stones on
the ground in the backyard,

The stones add up to her NAME!
